PORTFOLIO

THE VISION

> *"Bridging the gap between artificial intelligence, business strategy, and human storytelling. A data-driven strategist by day, and a published crime-thriller author by night."*

I am a dynamic BBA student at Lovely Professional University, specializing in AI and Digital Marketing. My passion lies at the intersection of innovative technology, entrepreneurial leadership, and creative expression. Whether I am crafting a psychological thriller or analyzing digital market trends, my core objective remains the same: **to connect with audiences and drive meaningful impact.**

My career aspiration is to build a hybrid professional footprint—merging digital intelligence, strategic business growth, and creative communication into high-level entrepreneurship.
